White-List New Inbound and Outbound IP Ranges

Customers will need to White-List the new inbound and outbound IP Ranges within their firewalls for connecting to and receiving data from Commercial Remote Deposit if there are restrictions in place. The new IP ranges are:

Inbound IP Ranges:

168.135.146.0/24 (Santa Clara)

168.135.147.0/24 (Miami)

Outbound IP Ranges:

168.135.146.13 (Prod-Santa Clara)

168.135.147.13 (Prod-Miami)
